

Necessary Accessories

When you complete your instrument rental form, be sure to include:

1. All students need a **music stand**.

It is an essential tool for correct playing position.

2. Violinists and Violists need a **shoulder sponge**.

It is an essential tool. It adds the necessary support and comfort for correct playing technique.

3. Cellists need an **End Pin Strap**.

This tool is necessary to hold the cello in place. It also protects your flooring from the cello endpin. (If you have carpeting, an endpin strap is optional. The carpeting will keep the endpin from sliding.)

Do not order a care kit!

Do provide your child with a soft, clean cloth for cleaning their instrument.

Note: Your first year method book will be provided for you. You do not need to purchase a book.
